These Terms govern the provision of all supplies of Goods and Services from us to you. They govern all current and future engagements unless we provide you with amended terms. By engaging us to provide Goods and/or Services, you are deemed to have read and agreed to these Terms to the exclusion of your terms (if any).

Ownership

1. Ownership of Goods produced or supplied by us, or materials supplied as part of Services provided by us, shall not pass to you until we receive payment in full of all amounts owing to us by you on any account and you have performed all other obligations under these Terms. Until payment is received, you must identify the Goods in such a way as to show that ownership of the Goods remains with us.
2. Ownership of all tools and equipment used by us in performing any Services for you shall at all times remain with us.

Risk

3. Delivery occurs at the time possession of the Goods passes to you (or a person nominated by you) from us. The risk in Goods supplied passes to you on delivery.
4. We will insure all Goods to be delivered to you for their full replacement value from the point they leave our premises to the point at which risk passes to you. The cost of such insurance is payable by you, unless otherwise agreed with us in writing.

Order and Acceptance

5. All orders for Goods or Services are to be placed in accordance with our ordering procedure as notified to you from time to time. We shall not supply any Goods or Services to you unless we have received from you an order that complies with our order procedures and in turn provided you with an order confirmation, which may be provided by facsimile or email. We reserve the right to reject or refuse to confirm any order in our sole and absolute discretion.
6. When providing an order confirmation we shall specify an estimated delivery date. This is an estimate only and we shall not be liable for any delay in delivery. We shall also agree with you at the time of providing an order confirmation the shipping terms that will apply in respect of that order.
7. Each order confirmation only represents a commitment by us to deliver Goods and/or Services pursuant to the relevant order and does not impose an obligation upon us to confirm any subsequent order or re-order for the supply of Goods or Services. No ongoing commitment to supply shall be implied from the confirmation of one or more orders or from previous business dealings.
8. You may not cancel or vary an order (regardless of whether we have, at that time, confirmed the order) without our written consent, which we may grant or deny in our sole discretion. In the event we consent to cancellation you shall pay us for any costs, charges and expenses incurred to the date of cancellation, whether resulting from design, procurement of materials, work carried out to the point of cancellation or otherwise.
9. The Buyer shall comply with all applicable sanctions laws including always sanctions by the European Union and the United States (Sanctions Laws). The Buyer warrants it is not subject to sanctions by the European Union or the United States and that it is not owned or controlled by a party subject to such sanctions. The Buyer shall not export, re-export or otherwise transfer Seller's products, directly or indirectly, to Russia or Belarus, or to any other country, person or entity in breach of any applicable sanctions, including always sanctions by the European Union and the United States. The Buyer commits to not selling the products to third parties whom it has reason to assume will disregard Sanctions Laws. Upon request, the Buyer must provide all required information about the end-use and end-user of the products. The Buyer shall be liable for all losses and damage sustained by the Seller as a result of the Buyer's non-compliance with this clause, in which case the Seller will be entitled to immediately withdraw from the contract entirely or from that part that has not yet been fulfilled, without the Buyer having the right to raise any claim of whatsoever nature against the Seller.

Return of parts

10. To receive credit on returned parts, the original purchase date must be within 60 days.
11. Parts returned must be received in a new condition. Any part received not in new condition will be subject to inspection and possible refusal if part cannot be brought back to new condition. The cost of rework will be deducted from the credit amount.
12. All returned parts are subject to a 15% restocking charge.
13. All non-standard parts will not be accepted for return. Non-standard includes hybrid couplers, indent only product, items not listed in the standard Doherty price book and is at the sole discretion of Doherty.

Price

14. The price for the Goods and/or Services shall be the price stated in our order confirmation, subject to adjustment in accordance with clause 15.
15. Prices specified in our order confirmation are in Australian currency at the exchange rate applicable on the day that our order confirmation is sent to you and are based on then current costs of materials, labour, freight, insurance and applicable duties and taxes. We reserve the right to increase the price payable to reflect increases in any such costs, or exchange rate movements, prior to the date of delivery.
16. You agree to pay us the charges set by us from time to time for supplying any Goods and/or Services at your request outside of our normal business hours and delivering any Goods and/or performing Services on your property or other property you have specified.
17. You agree to pay us for any out of pocket expenses incurred in providing Goods and/or Services to you, such as travel and accommodation, provided that we will obtain your consent prior to incurring the expense and will produce appropriate receipts when requesting re-imbursment.
18. The price for Goods or Services is expressed in Australian dollars and excludes GST and packing charges. GST and packing charges are payable in addition to the price quoted.

Payment

19. Unless we have approved credit terms for you in writing, payment for Goods and/or Services ordered is to be made in cleared funds before delivery. We shall notify you when the Goods or Services are ready for delivery. For customers without approved credit terms, we will not load Goods for shipment until we receive payment in full. Where credit terms have been approved by us in writing, or where any alternative payment terms are agreed and specified in an order confirmation, those payment terms apply in preference to this clause, but only in respect of that particular order or approved credit arrangement. In all cases, you shall make all payments due to us into our nominated account, without set-off or deduction of any kind.

Default

20. If a payment is outstanding for 7 days from the date it is due (**Due Date**), then we may charge default interest at the rate of 20% per annum. The interest will be calculated on a daily basis from the date payment was due until the date payment is received by us. Any failure or delay by us to charge interest on any unpaid account or to exercise any of our rights will not operate as a waiver of those rights. We may apportion payments to outstanding accounts as we see fit.
21. Notwithstanding clause 20, if payment is outstanding for 7 days from the Due Date, we may suspend performing work on credit until the date of payment in full (including all accrued interest and recovery costs).
22. We may notify you at any time that we have ceased to provide Goods or Services on credit. This cessation does not relieve your obligation to pay amounts owing up to the date on which the credit arrangement is suspended.
23. If any amount remains outstanding after the Due Date, you must pay all costs and expenses incurred by us in recovering or attempting to recover the outstanding amount, including debt collection agency costs, legal costs on a full indemnity basis, court costs, enforcement costs, and any other expenses reasonably incurred by us. Any such costs and expenses may be added to the outstanding amount and will be payable by you as a debt due to us.

Personal Property Securities Act 2009 (Cth) ("PPSA")

24. These Terms create a security interest in the Goods supplied to you. You grant us a security interest in all of your present and after acquired personal property as further security for payment and performance of your other obligations under these Terms. You must not grant (or allow any other security interest to arise) over the property and goods that we have a security interest in. You agree to execute any documents, provide all relevant information and cooperate fully with us (within any time period specified by us) to ensure that we have a first-ranking perfected security interest in the property and Goods supplied to you. Within two business days of a written request by us to you, you agree to supply us with copies of all documents granting security interests over your personal property. We may at any reasonable time enter your premises and properties to uplift Goods that we have a security interest in. If Goods that we have a security interest in are processed, included or dealt with in any way causing them to be accessions, processed or commingled goods, our security interest will continue in

the whole of which they are included. To the extent the law permits, we need not comply with, and you may not exercise rights under, any provisions of Chapter 4 of the PPSA that may be contracted out of and you waive your rights to receive any notice that is required by the PPSA (but this does not prohibit us from giving such a notice). If we exercise a right, power or remedy, that exercise is taken not to be an exercise of a right, power or remedy under the PPSA unless we state otherwise at the time of exercise (but this does not apply to a right, power or remedy which can only be exercised under the PPSA). You and we agree not to disclose any information of the kind referred to in section 275(1) of the PPSA under section 275(4) of the PPSA unless section 275(7) of the PPSA applies. You agree not to exercise rights to make any request of us under section 275 of the PPSA, or to authorise the disclosure of any information under that section or waive any duty of confidence that would otherwise permit non-disclosure under that section.
